

FOR THE LOVE OF LOWRY

THE LOWRY FOUNDATION works at the unique intersection of Lowry's history as a military post and its new form as a thriving urban community. Its mission is "to preserve the legacy and spirit of Lowry."

The Foundation is blessed with a modest endowment income, but it needs the support of the entire community in order to ensure that its work continues. The Foundation has established the Lowry Foundation Star Society. The Society Stars make annual contributions, which support the day-to-day programming and operations of the Foundation.
